RESPONSE

In response to the action mailed September 25, 2001, please amend the application as follows:

In the claims:

Please amend claims 1, 2, 4-14 and 16-20, as follows:

1. (Amended) A method for quoting securities in a market maker quotation system, executed over a networked computer system, the method comprising:
posting for display in the market, at least one quote reflecting at least one of a bid and offer price for a security to reflect a proprietary position of a market maker type of participant;
and
posting for display in the market, using a separate quote reflecting at least one of a bid and/or offer price for the security to reflect a customer order or interest.

2. (Amended) The method of claim 1 wherein posting for the proprietary account comprises:
entering quotes for bids and offers into a quote system; and
sending the quotes to a server that disseminates the bid and offer quotes from the market maker, along with quotes for the same security from other market makers.
